

Who: Congregation Achduth Vesholom
What: A Call to Action/Mitzvah Project
When: July 28 - December 31
Where: The Temple
Why: Tikkun Olam

In honor of CAV's 175th anniversary, you are invited to participate in a Mitzvah Day Project to assist foster children in Northeast Indiana. Our goal is to assist 175 foster children through our collaboration with Fostering Hope for Children (www.fhforc.com).

You can help by giving them something to call their own-- a tote filled with hygiene items that can travel with them wherever they go.

- Shop at your favorite store for a child from one of the age groups on this flyer. One-stop shopping!
- Take a mitzvah selfie and send it to office@templecav.org.
- Label the bag with the age and gender of the child for whom you shopped.
- Deliver the bag to the Temple and place in the labeled bin in the foyer.

If you would rather not shop, you can still offer monetary assistance a variety of ways.

- Donate online at www.templecav.org
- Place a cash or check (payable to "CAV - The Temple") in the tzedakah box in the Temple foyer.
- Mail a donation to the Temple, 5200 Old Mill Road, Ft. Wayne, IN 46807.

What's next?

- Save the Date for Hot Topics Shabbat on Friday, October 27 with Juliette Smith, founder of Fostering Hope for Children, to learn more about foster children in our community.
- Check Temple communications to monitor our progress and for project workdays to decorate and assemble the buckets.

Please contact The Temple if you have any questions at
office@templecav.org or 260.744.4245
